

Kasper Andreasen (DK) lives and works in Antwerp and Berlin. His work encompasses drawing, writing, and printed matter with an emphasis on mapping, indexing, and archiving. In 2010, he completed the permanent installation and the book project *Land Route* which can be seen at the Museum of Literature in The Hague. He has worked on numerous artist's books and projects, among others, the drawing atlas *Writing Over* (Roma Publications) and the curatorial project *Copy Construct* in CC Mechelen.
